El Morro Theatre

General Information

The El Morro Theatre opened its doors for the first time August 23, 1928. It was designed in an early Spanish Colonial décor by Carl Boller. Mr. Boller also designed the Kimo Theatre in Albuquerque. Originally the walls were decorated with four large murals by painter David A Swing from Phoenix, Arizona. The front of the stage was occupied by the Rueter Pipe Organ. During the height of the Hollywood movie era, the El Morro was host to many vaudeville and variety shows along with local school concerts and theatre productions. Many Gallup residents still remember these events fondly.

Originally restored by the Dick Kauzlaric family the El Morro reopened on December 21, 1991 following a four year closure. The theater was then taken over by the City of Gallup and additional renovations were completed. The El Morro now boasts new seating, new carpet, central air conditioning and heating and a state of the art lighting system.

We hope to feature a dinner theatre area in the balcony in the near future. This year we are anticipating some additional renovations of the restrooms, concessions and lobby area.

Upcoming Features

June-July Children's Matinee every Saturday at 1:00pm

In addition there will be other concerts and events scheduled throughout the summer. Please check the website www.elmorrotheatre.com or call (505) 726-0050 for movie schedules, performance times, prices and any additional information. Schedules subject to change without notice.

In addition, fees may be charged for events, tournaments, etc. Some events may also require an Event Permit. Thank you for not waiting until the last minute for scheduling as notice is often required. To avoid disappointment in having your event turn out the way you want, please plan ahead! Please contact the Parks or Recreation Offices for information.

Event Permits

Any and all events conducted on public properties, or right-of ways, or any needing city services such as utilities, personnel, and/or equipment must first obtain an event permit application from the City Clerk's office.
